

Directions from the San Jose del Cabo International Airport to Rosen Law’s offices

Take the toll road from the Airport – direction Cabo San Lucas. About 1/2 mile after you past the tollbooth (12-15 min from airport), you will see a “Mega Comercial Mexicana” (“Mega”) supermarket in front of you as the toll road ends. Take the exit to the left and enter the roundabout with the big yellow sculpture in the middle. Cross the highway and exit the roundabout taking the street that continues straight towards the ocean and along the left side of the Mega...*

Comming from Cabo San Lucas to Rosen Law’s offices

Take the Transpeninsular high way – direction San José del Cabo. About km 30 you will see at your right the “Mega Comercial Mexicana” supermarket and at your left the roundabout with the big yellow sculpture in the middle. Turn right, along the left side of the Mega ...*

* Enter the Mega parking lot to your right (underneath the building) and go up, underneath the building back in the direction of the toll road and then go to the far corner of the parking lot where the McDonald’s is located next to the highway. Park next to the McDonald’s, and walk across the (side) street (not across the highway), where you will see a three-story yellow cement building. This is our building – “Plaza Portales”. On the side of the building and directly in front of the McDonald’s you will see the “Spider Web” bookstore and an entrance to the building. Enter here and go up one flight of stairs. We are Suite 205.

You can also park in the parking spaces in front of our offices in Plaza Los Portales.
